Second Annual Alumni Golf Tournament

Thursday, June 10th, 1976

The first tee at Woodlands Golf & Country Club has once again been reserved for the Alumnus of St. Michael's and their friends from 12 noon to 2 p.m. on Thursday, June 10th, 1976.

This event was a total success last year as all who attended will testify to. The weather was great, the golf superb, the dinner excellent and all who participated thoroughly enjoyed themselves.

Make up your foursomes early because we are limited to the number of applicants we can accept. Word has spread about how good last year's tournament was, so don't hesitate — register **NOW**. Registrations will be accepted up to Tuesday, June 1st, 1976 and will be processed on a first come-first served basis. **DON'T MISS THIS ALUMNI EVENT OR YOU WILL BE SORRY.**

A roast beef dinner will be served in the Clubhouse following the tournament at which time the trophies and prizes will be presented. We hope to be able to give as many prizes as possible this year, so if you can donate any suitable prize, your donation will be greatly appreciated.

Locker room, sauna, and bar facilities will be available to all participants. The snack bar will be open for those who wish to eat lunch prior to their tee-off time. Alcoholic beverages are prohibited on the golf course.

DO NOT HESITATE. Complete the attached application and mail it this week. Your green fee and dinner ticket with your starting time will be mailed out to you early in June.

HOPE TO SEE YOU ON THURSDAY, JUNE 10, 1976!

COMMUNION BREAKFAST

On March 14th, 1976 the Alumni Association once again held its annual Communion Breakfast. As in the past, this year's event was a success. We were pleased this year to have two guest speakers: "Red" Kelly of the Maple Leafs and Jim Corrigan of the Argonauts.

We started the morning off with a family folk mass in the school chapel, followed by an excellent buffet-style breakfast held in the cafeteria. Breakfast being finished, our guest speakers spoke for a few moments on their team's progress and ended with a question period from the floor. As in previous years, we concluded the event with family skating in the arena.

This year's crowd was one of the smallest we have had but it was one of the best Communion Breakfasts we have ever put on. On behalf of the Alumni Association, we would like to thank Father Penny, Father Fitzpatrick, the catering staff of St. Michael's, our guest speakers, and those who came for making the event a success.

S.M.C.S. HOCKEY 1975/76

For the fifth consecutive season, St. Mike's Oldtimers played a series of exhibition games in communities around the province — Keswick, Brantford, Picton, St. Mary's, and wound up the campaign with a game at St. Michael's arena against Balmy Beach Oldtimers.

New faces among the has-been shinnyists included Ken Cooper, Charlie Kelly, Bob Dubniak, Art Clune, John Ferrigan, Jim O'Reilly, Doug Bannan, Paul Grise, and Terry Quealey. The acrobatic John Garipey was Mr. Cool between the pipes.

The Wednesday Night Hockey program has continued successfully for a fourth season. Contrary to predictions, there have been no cases of cardiac arrest. Passersby have been witness to bizarre sights — Bill Rosenitsch sipping Geritol on the bench, Bob Henderson trying to skate on his hands and knees and the dramatic dialogue of Len Robinson and Jerome Wiley.

Several players plan to emphasize the offensive part of their game next season, i.e. the contents of their equipment bags will likely be left to marinate over the summer.

For further information of Wednesday Night Hockey, contact Ross Robertson, 9 Petworth Cres., Agincourt, Ont. (292-3755).

HAVE YOU SENT
YOURS IN YET?

It's Your Alumni Association

The Old Boys Association of St. Michael's was formed approximately twenty years ago; its objective to create a link between past and present and reunite St. Michael's "Old Boys". The basic objective has remained unchanged and has been successful. The success of our Association is the result of the encouragement and support of many "Old Boys".

In 1971, the Old Boys Association was renamed the Alumni Association in an effort to strengthen our ties with recent graduates and encourage greater participation in Alumni events. The results have been witnessed at recent events and have been very encouraging.

As active support for the Alumni Association increased, more and more projects were undertaken and today the Alumni Association is the largest contributor to the scholarship fund. Events sponsoring this fund include the Turkey Roll held annually the first Friday of December and the Scholarship Draw held annually the last Wednesday of May. The Alumni Association was instrumental in the construction of the arena and has been involved in private studies concerning the future of our Catholic High Schools. Currently, the Alumni Association sponsors the Annual Communion Breakfast, the Wednesday Night Hockey Association, the St. Michael's Old Timers Hockey Club, Sunday Family Skating, and an annual Golf Tournament in June.

At the present time, there are a number of new projects which the Alumni Association would like to undertake. However, we lack the active manpower to kick these projects off and sustain their growth. If the Alumni Association is to develop new programs, we need your help involving possibly one night per month. If you wish to assist in the management of your Alumni Association, please contact:

Scholarship Draw

The Annual Scholarship Draw is to be held Wednesday, May 26, 1976 in the school gymnasium. As in the past, it will be an elimination type draw with a grand prize of \$5,000.00.

One hundred and fifty tickets are sold at \$100.00 each. This \$100.00 donation entitles two persons per ticket to a gala dinner on the night of the draw. Proceeds from the draw are contributed to the Scholarship fund.

News Flash!!

Father Joseph Penny, the Moderator of the Alumni Association for the past six years, has been transferred to The University of Toronto and will become Chaplain of same.

Best of luck, Father, and many thanks for all your help and encouragement over the past few years.
